

HF::RayTracer::EmbreeRay  
Tracer::AddMesh

```
graph LR; A[HF::RayTracer::EmbreeRayTracer::AddMesh] --> B[HF::RayTracer::buffersToStructs]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'HF::RayTracer::EmbreeRayTracer::AddMesh' on two lines. The right box is gray with a black border and contains the text 'HF::RayTracer::buffersToStructs' on two lines.
