

CreatePath

```
graph LR; A[CreatePath] --> B[HF::SpatialStructures  
::Path::empty];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'CreatePath'. The right box is gray with a black border and contains two lines of text: 'HF::SpatialStructures' and '::Path::empty'.

HF::SpatialStructures
::Path::empty
