

nlohmann::detail::binary
_writer::calc_bson_entry
_header_size

```
graph LR; A[nlohmann::detail::binary_writer::calc_bson_entry_header_size] --> B[nlohmann::detail::out_of_range::create]; B --> C[nlohmann::detail::exception::name];
```

The diagram consists of three rectangular boxes arranged horizontally, connected by blue arrows pointing from left to right. The first box on the left has a gray background and contains the code snippet 'nlohmann::detail::binary_writer::calc_bson_entry_header_size'. The middle box has a white background and contains 'nlohmann::detail::out_of_range::create'. The third box on the right also has a white background and contains 'nlohmann::detail::exception::name'. All boxes have a thin black border.
