

GetEdgesForNode

```
graph LR; A[GetEdgesForNode] --> B[HF::SpatialStructures::Graph::hasKey]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'GetEdgesForNode'. The right box is gray with a black border and contains the text 'HF::SpatialStructures::Graph::hasKey'. A blue arrow points from the right side of the left box to the left side of the right box.
