

```
nlohmann::detail::json  
_sax_dom_callback_parser  
::binary
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'nlohmann::detail::json', '_sax_dom_callback_parser', and '::binary'. The right box is white and contains the text 'nlohmann::detail::json', '_sax_dom_callback_parser', and '::handle_value'.

```
nlohmann::detail::json  
_sax_dom_callback_parser  
::handle_value
```
