

GenerateGraph

GenerateGraphObstacles

HF::GraphGenerator  
::GraphGenerator::BuildNetwork

```
graph LR; A[GenerateGraph] --> C[HF::GraphGenerator<br/>::GraphGenerator::BuildNetwork]; B[GenerateGraphObstacles] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically: 'GenerateGraph' on top and 'GenerateGraphObstacles' on the bottom. Both of these boxes have a thin black border. On the right, there is a single, wider box with a gray fill and a thin black border. Two blue arrows point from the right side of the 'GenerateGraph' box and the right side of the 'GenerateGraphObstacles' box to the left side of the gray box. The text inside the gray box is 'HF::GraphGenerator' on the top line and '::GraphGenerator::BuildNetwork' on the bottom line.
