

nanort::TriangleMesh  
::BoundingBox

```
graph LR; A[nanort::TriangleMesh::BoundingBox] --> B[nanort::get_vertex_addr]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a light gray color and contains the text 'nanort::TriangleMesh' on the top line and '::BoundingBox' on the bottom line. The right box is white with a thin black border and contains the text 'nanort::get\_vertex\_addr'. The blue arrow originates from the right side of the left box and points towards the left side of the right box.

nanort::get\_vertex\_addr
