

```
nlohmann::detail::json  
_sax_dom_callback_parser::null
```

A diagram illustrating a state transition. On the left, a gray rectangular box contains the text 'nlohmann::detail::json' followed by '\_sax\_dom\_callback\_parser::null' on the next line. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'nlohmann::detail::json' followed by '\_sax\_dom\_callback\_parser' on the next line, and ':handle\_value' on the third line.
