

```
nlohmann::ordered_map  
::insert
```

```
graph LR; A[nlohmann::ordered_map::insert] --> B[nlohmann::ordered_map::emplace]
```

A diagram showing a transition from the `nlohmann::ordered_map::insert` function to the `nlohmann::ordered_map::emplace` function. A blue arrow points from the left box to the right box.

```
nlohmann::ordered_map  
::emplace
```
