GenerateGraphObstacles

HF::GraphGenerator
::GraphGenerator::BuildNetwork

```
graph LR; A[GenerateGraph] --> C[HF::GraphGenerator<br/>::GraphGenerator::BuildNetwork]; B[GenerateGraphObstacles] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically: 'GenerateGraph' on top and 'GenerateGraphObstacles' on the bottom. Both of these boxes have a thin black border. On the right, there is a single, wider box with a gray fill and a thin black border. This box contains the text 'HF::GraphGenerator' on the top line and '::GraphGenerator::BuildNetwork' on the bottom line. Two blue arrows originate from the right side of the 'GenerateGraph' box and the right side of the 'GenerateGraphObstacles' box, both pointing towards the left side of the gray box.
